\$4,500 Macdonald-Burt Scholarship

The Rotary Club of Big Sky is proud to announce its annual scholarship in the amount of \$4,500 to be awarded to a Big Sky resident attending college or a vocational post-high school program. This scholarship is another community project that the Rotary Club of Big Sky is able to fund as a result of the community's generous support of the annual Gold Raffle and Auction held each January.

The criteria for the scholarship will be based on financial need, community service, and academic performance. A committee of three Rotarians will review each application, and a winner will be announced by May 31st, 2022. The deadline for the application is **April 30th, 2022**. All information provided to the review committee will be kept strictly confidential to the members of that committee.

The scholarship will be awarded to the student and paid to the institution upon receipt of a tuition bill. Big Sky residents interested in applying for this scholarship should contact a Rotarian for an application or visit www.bigskyrotary.com for more information. A school transcript and detailed description of community service must be included.
